**Japanese Classes**

Taught in individual or small groups with instruction based on ability level. See inside for more details.

**Japanese Classes for Children**

Volunteer teachers can help children from 6 to 18 years of age whose first language is not Japanese to study Japanese. The place, time and lesson content can be negotiated. This is a free service.

**Volunteer Interpreters**

Volunteer interpreters are available to help you with communication between your native language and Japanese for school visits, shopping, filling in forms and other situations within the boundaries of lifestyle support and international relations. Volunteer interpreters are not available for purposes where profit is for gain or that require high level language skills or specialist knowledge. This is a free service

**Foreign Language Information**

Information about lifestyle and events is available in English, Portuguese & Chinese.
